**GOVERNMENT'S MOTION FOR EXTENSION OF TIME**

The United States, through the undersigned attorney, respectfully requests that the date for the government to file a response pursuant to Local Rule 7.1(B)(2) to Defendant Jose Rodriguez's Motion to Suppress, be continued until April 21, 2006. As grounds for this motion, the government states that the undersigned prosecutor needs additional time to prepare an adequate response Rodriguez's motion.

On March 23, 2006, Rodriguez, having retained new counsel, filed a Motion to Suppress "the fruits of a police stop in which he was a passenger and the subsequent searches conducted thereafter." The motion was filed on the date of a status conference in which the Court was to set a trial date. All previously-filed motions to suppress had been heard and denied. The Court gave the government 21 days to file a response. On March 27, 2006, the government filed a Motion to Strike the suppression motion on the basis of its untimely filing. That motion is presently pending.

Since that date, the undersigned prosecutor has been immersed in several active cases, including United States v.

Arlindo Dossantos et al., No. 01-10279-DPW; United States v. Sophoan Oung et al., No. 05-10262-PBS; United States v. Michael Peralta, 06-1082-JGD; and Commonwealth v. Timothy White, No. 03-0154, as well as several time-consuming investigations. The additional time requested will allow the undersigned prosecutor sufficient time to prepare a cogent response to the defendant's motion.

Counsel for Rodriguez, Robert Sheketoff, assents to the extension of time.

WHEREFORE, the United States respectfully requests an extension of time for the government to file a response to the Motion to Suppress until April 21, 2006.

Respectfully submitted,

MICHAEL J. SULLIVAN  
United States Attorney
